TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

The trustees (who are trustees for the purposes of charity law and also the directors for the purposes of company law), present their annual report together with the audited financial statements of Endeavour Academies Trust (the academy trust) for the year ended 31 August 2022. The trustees confirm that the annual report and financial statements of the academy trust comply with the current statutory requirements, the requirements of the academy trust's governing document and the provisions of the 'Accounting and Reporting by Charities' Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015). The annual report serves both the purposes of a trustees' report, and a directors' report under company law.

The academy trust (which is a Multi-Academy Trust (MAT)) operates one primary and one secondary academy in Middlesbrough. Its academies have a combined pupil capacity of 2,070 and a roll of 2,079 in the school census in October 2021.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association and an accompanying funding agreement are the primary governing documents of the academy trust. Both these documents refer to the company as the academy trust.

Details of the trustees who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

The academy trust has purchased insurance to protect trustees and governors from claims arising against negligent acts errors or omissions occurring whilst on academy business. Further details are provided in note 12.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Method of recruitment and appointment or election of trustees

The board of trustees assesses what expertise it requires to strengthen its activities and responsibilities, and prospective trustees and governors are approached on that basis. Efforts are made to find locally based individuals who meet the required criteria, and to approach those identified. The academy trust has used Academy Ambassadors and Schools North East in this respect.

Trustees are appointed by members in accordance with the academy trust's Articles of Association. There is a legal minimum of three trustees, the academy trust having identified nine trustees as being our optimum number. The Chair of the academy trust plays a critical role in ensuring good governance. The Chair of the academy trust is elected annually.

Governors are appointed by the board of trustees. Governors are subject to retirement after a term of office of four years, but may be eligible for re appointment at the meeting at which they retire. The Chair and Vice Chair are elected to their respective positions annually by their fellow governors at the first governors' meeting of the academy year.

For parent governors, when required, applications have been invited from parents of registered students. If governors approved the application of more than one person seeking appointment as parent governor, an election by all registered parents will be conducted by secret ballot. It is envisaged that in the future parent governors will join the local governing body of each academy/school operated by the academy trust.

Policies adopted for the induction and training of trustees

The training and induction provided for new trustees and governors depends on their existing experience. Where necessary, induction and training is provided on charity, educational, legal and financial matters. All new trustees and governors meet members of the key leadership personnel and are given a tour of the academy and the chance to meet with staff and students. All trustees and governors are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role. The academy trust has a checklist to ensure that the appropriate information is provided to all governors. As there might only be one or two new trustees in any year, induction is tailored specifically to the individual.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Organisational structure

There are four levels of governance which are the members, the trustees, the Chief Executive Officer ("CEO") together with the key leadership personnel, and local governing bodies.

The members determine the objects of the academy trust. The members also receive the Annual Report and Financial Statements. The members appoint the trustees. The overriding role of the members is to oversee and hold the trustees to account.

The trustees determine the policies and ethos of the academy trust. They have an obligation to ensure high standards and hold the Local Governing Bodies to account for the performance of schools within the academy trust. The trustees ensure that sound and appropriate financial governance are in place, approve the academy trust budget and ensure high standards of probity in the management of public funds. The trustees approve the Annual Report and Financial Statements.

The trustees appoint the CEO. The CEO is given delegated responsibility from trustees for the day to day operation and management of the academy trust. The CEO has overarching responsibility for the performance of the academy trust and its staff. The CEO is also named individually as the academy trust's Accounting Officer. The role of the CEO is supported by the key leadership personnel.

Reporting to the trustees, Local Governing Bodies are responsible for educational standards in their particular school. In their role in monitoring standards, they consider and approve the self-evaluation of their school and oversee the school improvement plan.

The Local Governing Bodies of schools within the academy trust hold the key leadership personnel to account. In addition to monitoring the school performance the Local Governing Body will identify a suitably skilled Governor to act as Safeguarding Governor, ensuring that safeguarding practice is in line with the academy trust's safeguarding policy.

Arrangements for setting pay and remuneration of key management personnel

The pay and remuneration of the academy's key leadership personnel are set against national leadership spine point scale, reflecting national pay awards. The key leadership personnel of schools in the academy trust have their performance appraisal carried out by the Headteacher. The CEO carries out appraisal of Headteachers and makes recommendations on pay to the Audit and Finance Committee. The Chair of the trustees carries out the performance appraisal of the CEO with pay determined by the trustees.

Trade union facility time

Under the provisions of the Trade Union (Facility Time Publication Requirements) Regulations 2017, where an academy trust has more than 49 full time equivalent employees throughout any 7 months within the reporting period, it must include information included in Schedule 2 of the Regulations. The information to be published consists of four tables covering the period starting from 1 April each year and as follows:

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Engagement with employees (including disabled persons)

The academy trust engages with employees to ensure that information on matters of concern is addressed. Staff are consulted regularly to ensure that their views are taken into account when making decisions likely to affect their interests. Academic and financial performance are considered as part of performance review targets which are linked to progression and promotion within the trust.

Lifts, ramps and disabled toilets are installed wherever possible and door widths are adequate to enable wheelchair access to all the main areas of the academies. The policy of the academy trust is to support recruitment and retention of students and employees with disabilities. The academy trust does this by adapting the physical environment, by making support resources available, and through training and career development.

Equal opportunities

The trustees recognise that equal opportunities are an integral part of good practice within the workplace. The academy trust aims to establish equal opportunities in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

Engagement with suppliers, customers and others in a business relationship with the academy trust

The academy trust engages regularly with suppliers, customers and other relevant stakeholders such as beneficiaries, funders and the wider community. Trustees and governors have a crucial role to play in connecting the academies with the wider community of business and other professionals in order to enhance the education and career aspirations of pupils.

OBJECTIVES AND ACTIVITIES

Objects and aims

The principal object and activity of the charitable company was the operation of academy schools to provide education for students of different abilities between the ages of 2 and 19 in order for them to progress to enriched lifelong learning opportunities. This is enhanced through the operation of a training school.

In accordance with the Articles of Association the charitable company has adopted a "Scheme of Governance" approved by the Secretary of State for Education. The Scheme of Governance and its appendices specifies, amongst other things, the basis for admitting students to the academies and the catchment area from which the students are drawn.

Objectives, strategies and activities

The trustees have always strived to achieve the following:

- to ensure that every child enjoys the same high quality education in terms of resourcing, teaching and to care;
- to raise the standard of educational achievement of all students;
- to improve the effectiveness of the academy trust by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirements;
- to maintain close links with industry and commerce; and
- to conduct the academy trust's business in accordance with the highest standards of integrity, probity and openness.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

OBJECTIVES AND ACTIVITIES (continued)

Strategic aims

The academy trust has four strategic aims towards which its schools work towards:

- i. The pursuit of excellence in teaching and learning - Our core focus is teaching and learning and ensuring that the teaching in every classroom is as good as it possibly can be. Informed by research from the Education Endowment Fund, the trust's teaching and learning model, OPTIC, creates a consistent learning framework to support teachers' professional development.
- ii. Developing a whole education - We want all children educated within our trust to be 'well rounded' and benefit from a 'whole education'. While we want our pupils to thrive academically, we also want them to develop character and personality which will ultimately make them highly employable active members of society. We will give our pupils diverse and distinct experiences through a range of curricular and co-curricular activities, which will help them to develop life long interests.
- iii. Providing student health and wellbeing - We want our pupils to be healthy and understand how to stay healthy, so they are empowered to make the right choices. We want our pupils to be safe, happy and valued and to feel well supported with a sense of belonging. As a trust we will ensure that an extensive support structure is in place to protect the wellbeing of our most vulnerable young people.
- iv. Preparing students for future employment - We aim to ensure that our pupils develop the essential knowledge, skills and confidence to enable them to make well informed decisions about their future. We want our young people to aim high and be aspirational and optimistic about their futures. The destinations of our young people are important; our trust aims to be an agent of social mobility, challenging the under-representation of pupils from disadvantaged backgrounds at the most competitive universities and employment sectors.

While academies within the academy trust have separate objectives which are developed and reviewed by their Local Governing Bodies, the academy trust continued to set trust wide objectives for 2021/22:

- i. Improve the quality of teaching and learning across the trust through the successful implementation of 'Year 3' of the OPTIC Teaching and Learning Model.
- ii. To develop curricular collaboration across both schools, ensuring there is continuity between Key Stages 2 and 3 in each subject.
- iii. Use the COVID Recovery Premium to mitigate the impact of COVID learning loss across both Macmillan and Archibald.
- iv. Ensure safeguarding is robust across the trust and has been enhanced in line with the changes to national policy.
- v. Ensure central services are sufficiently resourced and able to support the operational running of both schools in the expectation of further COVID disruption.

The progress against these strategic priorities was reported upon by the CEO at Board meetings.

The academy trust Board have produced a 3-year strategic plan 2022-25 focused on the following:

- i. Teaching and learning
- ii. The curriculum
- iii. Student support
- iv. People
- v. Central services
- vi. Partnerships.

From these six areas, the Board will determine the strategic priorities for 2022-23 which will be identified at the first Board meeting of the year.

(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

OBJECTIVES AND ACTIVITIES (continued)

Public benefit

The academy trust's aims and achievements are set out within this report and have been undertaken to further its charitable purposes for the public benefit. The trustees have complied with the duty under Section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission for England and Wales and the trustees have considered this guidance in deciding what activities the academy trust should undertake

Strategic report

Achievements and performance

Impact of the pandemic

During 2019/20 and 2020/21 the trust was one of the essential public services which operated throughout the pandemic. While 2021/22 operated without a period of national lockdown, the trust spent much of the year from September to March, dealing with Macmillan issues relating to the pandemic and with Macmillan being used throughout the year for both COVID testing and vaccinations. Both Archibald and Macmillan experienced a very high number of COVID cases which effected both staff and students and consequently, the smooth running of both organisations.

As the year developed it became clearer how the pandemic was affecting education and the trust identified the following areas: mental health, safeguarding, pupil attendance, staff wellbeing, personal development and behaviour. Mitigating these effects became an important aspect of the day to day business of both schools.

Quality of education

The year 2021/22 saw the trust's teaching and learning model 'OPTIC' become further embedded within trust schools. This model has created a consistent learning framework to support teachers' professional development. After being unable to run our teaching and learning conference in person in 2021 due to COVID, it was very pleasing to see all trust teachers together, in person, for the 2022 conference which took place in October. This year also saw far greater cross-phase teaching with Macmillan teachers teaching regularly in Key Stage 2 in PE, maths and music.

There was also a considerable focus on curriculum development throughout the year with a consistent curriculum review process taking place across both schools and this has promoted better curriculum progression between Key Stage 2 and 3.

Education/performance review

As with the two previous years, the impact of the pandemic on both schools was significant again in 2021/22. However, there were public exams at the end of Key Stage 2, 4 and 5 for the first time since 2019. While these will not be reported on in the same way and any national benchmarking will not be available until November 2022, a summary of the results is included in this report.

Examination results

After public exams were cancelled in 2020 and 2021, this year saw the return to a full series of exams for pupils in Year 6 (SATs), Year 11 (GCSE) and Year 13 (A level/BTEC). Given the significant amount of disruption over the previous three years, we are very proud of the achievements of trust pupils, who achieved the following results:

Governance

2021/22 saw developments across the governing body. The production of governance handbooks for both trustees and local governing body members has been a very useful training document supporting governors to challenge and support trust and school leaders. A training event bringing together governors from across the trust took place in July 2022. A formal review of governance has been commissioned and this will be run by the Confederation of School Trusts in the Autumn of 2022.

Key performance indicators

Staff costs as % of total revenue income	79.6%	79.9%
Pupil to teacher ratio	14:1	15:1

* Excluding LGPS adjustment per note 10.

Going concern

After detailed consideration, the board of trustees has a clear expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies section.

Promoting the success of the company

The trustees of the academy trust act to promote the success of the charitable company to achieve its charitable purposes. In doing so they have regard (amongst other matters) to:

- i. The likely consequences of any decision in the long term;
- ii. The interests of the academy trust's employees;
- iii. The need to foster the academy trust's business relationships with suppliers, customers and others;
- iv. The impact of the academy trust's operations on the community and environment;
- v. The desirability of the company maintaining a reputation for high standards of business conduct; and
- vi. The need to act fairly as between members of the academy trust.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Strategic report (continued)

FINANCIAL REVIEW

Financial report for the year

During the year ended 31 August 2022, total recurrent grant funding from the DfE/ESFA together with other incoming resources was more than total expenditure of £15,083,000. The excess of income over expenditure for the year of unrestricted funds and restricted funds (before transfers and actuarial gains, and excluding restricted fixed asset funds) was £904,000. The in-year deficit on restricted general funds plus unrestricted general funds but excluding the increase in the pension reserve liability was £748,000.

All of the expenditure shown in the statement of financial activities is in furtherance of the academy trust's objectives.

The academy trust held fund balances at 31 August 2022 of £25,544,000 comprising £23,647,000 of restricted funds, including £85,000 deficit on the pension reserves, and £1,897,000 of unrestricted funds. The total of restricted general funds, excluding pension reserves, plus unrestricted funds as at 31 August 2022 was £2,163,000.

At 31 August 2022 the net book value of fixed assets was £22,178,000 and movements in tangible fixed assets are shown in note 14 to the financial statements. The assets were used exclusively for providing education and the associated support services to the students of the academy trust.

Most of the academy trust's income is obtained from the Department for Education (DfE) via the Education and Skills Funding Agency (ESFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE/ESFA during the year ended 31 August 2022 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The academy trust also receives grants for fixed assets from the DfE/ESFA. In accordance with the Charities Statement of Recommended Practice (FRS102), such grants are shown in the statement of financial activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

The provisions of Financial Reporting Standard No. 102 'Retirement Benefits' have been applied in full, resulting in a deficit of £85,000 recognised on the balance sheet.

Reserves policy

The trustees review the reserve levels of the academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The trustees have determined that the appropriate level of free reserves should be equivalent to 6% to 9% of 'total incoming resources less restricted fixed asset income' (£813,000 to £1,220,000) ideally 7.5% of this income (equivalent to 4 weeks' expenditure, approximately £1,016,000). The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The academy trust's current level of free reserves (total funds less the amount held in fixed assets and restricted funds) is in surplus by £1,897,000 (see note 18). The trust has set aside specific funds for identified future capital projects in a designated capital maintenance fund.

Investment policy

The academy trust invests its liquid funds in bank accounts providing higher interest rates where the institution is believed to be sound. Interest rates are reviewed prior to each investment. This policy maximises investment return whilst minimising risks to the principal sum.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Principal risks and uncertainties

The principal risks and uncertainties are centred around changes in the level of funding from the DfE/ESFA, over which the academy trust has no control. In this context the potential increases in teaching costs because of increases in employer's pension and national insurance contributions create a specific risk. In addition the academy trust is a member of the Local Government Pension Scheme (LGPS), which results in the recognition of a significant potential deficit on the trust balance sheet if the academy trust was called upon to meet it. Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding local government pension scheme liabilities would be met by the Department for Education.

Financial and risk management objectives and policies

The academy trust is subject to a number of risks and uncertainties in common with other academies. The academy trust has in place procedures to identify and mitigate financial risks. These are discussed further in the risk management section of this report. and in the governance statement.

Risk management

The academy trust has assessed the major risks to which the academy trust is exposed, in particular those relating specifically to teaching, provision of facilities and other operational areas of the academy trust, and its finances. The trustees have implemented a number of systems to assess risks that the academy trust faces, especially in the operational areas (e.g. in relation to teaching, health and safety, student safety and school visits) and in relation to the control of finance. The academy trust has an effective system of internal financial controls and this is explained in more detail in the governance statement.

The academy trust has fully implemented the requirements of the Safer Recruitment procedures and all staff have received training in this area in addition to training on Child Protection, Safeguarding and Prevent.

Fundraising

Each member academy undertakes fundraising events. This work does not involve the use of any commercial participators or professional fundraisers. The academy trust adheres to all necessary legislation. Funds raised are monitored as part of the monthly management account process as well as by each individual academy. No complaints have been received in the year. All practices are compliant with Charity Commission guidance.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

STREAMLINED ENERGY AND CARBON REPORTING

The academy trust's greenhouse gas emissions and energy consumption are as follows:

	2022	2021
Energy consumption used to calculate emissions (kWh)	2,455,999	2,892,401
Scope 1 emissions (in tonnes of CO2 equivalent):		
Gas consumption	277.45	368.84
Owned transport	0.94	0.68
Total scope 1	<u>278.39</u>	<u>369.52</u>
Scope 2 emissions (in tonnes of CO2 equivalent):		
Purchased electricity	<u>179.97</u>	<u>185.78</u>
Total gross emissions (in tonnes of CO2 equivalent):	<u>458.36</u>	<u>555.30</u>
Intensity ratio:		
Tonnes of CO2 equivalent per pupil	<u>0.22</u>	<u>0.27</u>

Quantification and Reporting Methodology:-

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol — Corporate Standard and have used the 2022 UK Government's Conversion Factors for Company Reporting.

Intensity measurement

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector.

Measures taken to improve energy efficiency

We have installed smart meters in most locations and increased video conferencing technology for staff meetings, to reduce the need for travel between sites.

PLANS FOR FUTURE PERIODS

The two academies within the trust will continue to work together sharing best practice and seeking mutual benefits that cross-phase (Primary and Secondary) collaboration can bring both organisations.

With over 2,000 pupils, Endeavour Academies Trust is a 'medium sized trust. When the MAT was formed it was envisaged that it would grow beyond two schools. Whilst the number of local authority maintained schools transferring to academies has slowed in the last year, it is still the trustees intention to expand the MAT. To that end Endeavour Academies has embarked on several school improvement projects with local schools and have received enquiries from local schools to discuss the option of joining Endeavour Academies. While the pandemic has slowed down this process, the recent government White Paper indicates a preference for a fully academised system by 2030. Over the next 12 months Trustees will engage with the Department of Education to discuss the long term options for our Trust.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

DISCLOSURE OF INFORMATION TO AUDITORS

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees' Report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 22 November 2022 and signed on its behalf by:

K Fraser
Chair

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Endeavour Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in the DfE's Governance Handbook and competency framework for governance.

The board of trustees has delegated the day-to-day responsibility to the CEO, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Endeavour Academies Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The board of trustees has formally met six times during the year.

The board of trustees meets six times per year. Attendance during the year at meetings of the board of trustees was as follows:

Trustee	Meetings attended	Out of a possible
K Fraser, Chair	6	6
G R Attwood	5	6
J Flaws	5	6
Fr G Holland	6	6
P Latham, CEO and Accounting Officer	6	6
M Lovatt	4	6
Dr B Phillipo	6	6
C Wain	4	6
A J Wentworth	4	6

Changes in the board of trustees are noted on page 1.

During the year the trust has carried out skills audits for both Local Governing Bodies and has sought new governors in areas identified. Our risk management processes have been reviewed and developed during 2021-22 and the trust now has a documented risk management strategy and policy and improved risk registers. A review of governance is planned for the trust during the Autumn term 2022.

Members of the board continue to benefit from membership of the National Governors Association. In July 2022 the trust held its first trust event to bring together trustees and governors and provide training and develop the trust strategic plan 2022-2025.

All trustees, governors and senior staff complete registers of interest which are used to identify potential conflicts of interest. Any conflicts must be declared at the start of each meeting and any party declaring such an interest would be excluded from any decision. Senior leaders and finance staff are made aware of potential conflicts of interest to ensure that these are considered during the decision-making process.

GOVERNANCE STATEMENT (CONTINUED)

Governance (continued)

The finance and audit committee is a sub-committee of the main board of trustees. This committee met three times during the year.

Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
Dr B Phillipso	3	3
G R Attwood	3	3
J Flaws	3	3
K Fraser	2	3

In attendance:

Trustee	Meetings attended	Out of a possible
P Latham, Chief Executive Officer	3	3
M Brindle, Chief Financial Officer	3	3

Review of value for money

As Accounting Officer, the CEO has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy trust has delivered improved value for money during the year by:

- Review of staffing structure to identify efficiency savings through non-replacement of staff who have left, and redeployment of staff to alternative duties.
- Further development of cross-MAT working involving Macmillan Academy teaching staff delivering PE and music lessons at Archibald. Trust senior leadership meetings have been held to identify additional opportunities to develop this work.
- Successful CIF bids to fund key areas of need in our trust premises strategy.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Endeavour Academies Trust for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

The purpose of the system of internal control (continued)

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees
- regular reviews by the local governing body of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The board of trustees has decided to employ Azets as internal auditor.

The internal auditor's role includes giving advice on financial and other matters and performing a range of checks on the academy trust's financial systems. In particular, the checks carried out in the current period included testing of:

- School number data
- Financial procedures, accounting records and systems
- School/trust development plan
- New governor induction pack
- Month and year end procedures
- Bank procedures
- Payroll leavers and joiners
- Procurement
- Assets
- Gifts & Hospitality
- Data security
- Management information & reports
- Benchmarking
- Compliance & governance
- Related party transactions
- Non GAG income

The internal auditor reports to the board of trustees on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities. Two reports were completed during the year in line with the programme of work approved by the board of trustees. The schedule of work has been delivered as planned and no significant issues have arisen as a result of their work.

(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Review of effectiveness

As Accounting Officer, the CEO has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor,
- the work of the executive leaders within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Endeavour Academies Trust I have considered my responsibility to notify the academy trust board of trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

P Latham
CEO and Accounting Officer

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2022

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 22 November 2022 and signed on its behalf by:

K Fraser
Chair

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ENDEAVOUR ACADEMIES TRUST**

Opinion

We have audited the financial statements of Endeavour Academies Trust (the 'academy trust') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ENDEAVOUR ACADEMIES TRUST (CONTINUED)**

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the academy trust or to cease operations, or have no realistic alternative but to do so.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
ENDEAVOUR ACADEMIES TRUST (CONTINUED)**

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We undertake the following procedures to identify and respond to these risks of non-compliance:

- Understanding the key legal and regulatory frameworks that are applicable to the Trust. We communicated identified laws and regulations throughout the audit team and remained alert to any indications of non-compliance throughout the audit. We determined the most significant of these to be the regulations set out by the DfE/ESFA. Our audit focuses on financial matters as set out in our regularity opinion. Other key laws and regulations included safeguarding, Health & Safety, GDPR and employment law.
- Enquiry of trustees and management as to policies and procedures to ensure compliance and any known instances of non-compliance
- Review of board minutes and correspondence with regulators
- Enquiry of trustees and management as to areas of the financial statements susceptible to fraud and how these risks are managed
- Challenging management on key estimates, assumptions and judgements made in the preparation of the financial statements. These key areas of uncertainty are disclosed in the accounting policies
- Identifying and testing unusual journal entries, with a particular focus on manual journal entries.

Through these procedures, we did not become aware of actual or suspected non-compliance.

We planned and performed our audit in accordance with auditing standards but owing to the inherent limitations of procedures required in these areas, there is an unavoidable risk that we may not have detected a material misstatement in the accounts. The further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve concealment, collusion, forgery, misrepresentations, or override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ENDEAVOUR
ACADEMIES TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 16 September 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Endeavour Academies Trust during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Endeavour Academies Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Endeavour Academies Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Endeavour Academies Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Endeavour Academies Trust's Accounting Officer and the reporting accountant

The accounting officer is responsible, under the requirements of Endeavour Academies Trust's funding agreement with the Secretary of State for Education dated 28 February 2006 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ENDEAVOUR ACADEMIES TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)
Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

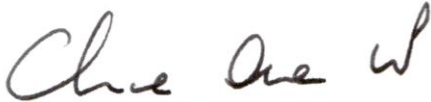

- Review of governing body and committee minutes;
- Review of termly Internal Assurance reports;
- Completion of self assessment questionnaire by Accounting Officer;
- Review documentation provided to trustees and Accounting Officer setting out responsibilities;
- Obtain formal letters of representation detailing the responsibilities of trustees;
- Review of payroll, purchases and expenses claims on a sample basis;
- Confirmation that the lines of delegation and limits set have been adhered to;
- Evaluation of internal control procedures and reporting lines;
- Review cash payments for unusual transactions;
- Review of credit card transactions;
- Review of registers of interests;
- Review related party transactions;
- Review of borrowing agreements;
- Review of land and building transactions;
- Review of potential and actual bad debts;
- Review an instance of gifts/hospitality to ensure in line with policy;
- Review whistleblowing procedures;
- Review pay policy and factors determining executive pay;
- Review of staff expenses;
- Review other income to ensure is in line with funding agreement;
- Review governance structure and number of meetings held; and
- Review whether there is a risk register in place.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy trust has provided the goods or services.

• **Donated fixed assets (excluding transfers on conversion or into the academy trust)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• **Charitable activities**

Expenditure on charitable activities are costs incurred on the academy trust's educational operations, including support costs and those costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy trust to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.6 Intangible assets

Intangible assets costing £2,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life.

The estimated useful lives are as follows:

Computer software	-	3 - 5 years
-------------------	---	-------------

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.7 Tangible fixed assets

Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Freehold buildings	- 2% on cost
Long term leasehold property	- evenly over the remaining years of the lease
Motor vehicles	- 25% on cost
Furniture, fittings and administration equipment	- 5% - 10% on cost
Computer and educational equipment	- 15% - 50% on cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.8 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

1.9 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy trust; this is normally upon notification of the interest paid or payable by the bank.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.11 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.12 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.13 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.14 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.15 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust does not use any of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 30.

1.16 Consolidation

MA Enterprises Limited is a subsidiary of Endeavour Academies Trust. The results of MA Enterprises Limited are not consolidated with the financial statements on the basis that the results are not material.

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 August 2016 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability. In the current year the actuary has made assumptions to estimate the liability associated with McCloud Sargeant (McCloud) and GMP Indexation and Equalisation (GMP).

Depreciation and amortisation – Depreciation and amortisation is calculated so as to write off the cost of an asset, less its residual value, over the economic life of that asset. An estimate of the useful life of assets is detailed in the relevant accounting policy. The value of depreciation and amortisation charge during the year was £785,000.

Critical areas of judgment:

Land – Part of the land at Macmillan Academy is held under a 75 year lease from Middlesbrough Borough Council. These assets are included on the balance sheet of the academy due to the significant risks and rewards of ownership belonging to the academy, the lease term being the major part of the economic life of the assets and the assets being of such a specialised nature that only the academy could use them without major modification.

FOR THE YEAR ENDED 31 AUGUST 2022

10. Staff

a. Staff costs

Staff costs during the year were as follows:

	2022	2021
	£000	£000
Wages and salaries	8,036	7,844
Social security costs	816	782
Operating costs of defined benefit pension schemes	2,470	2,315
	11,322	10,941
Agency staff costs	216	92
	11,538	11,033

Included within the operating costs of defined benefit pension schemes is £746,000 (2021: £616,000) in respect of the LGPS pension deficit.

b. Special staff severance payments

Included in staff restructuring costs there are no non-statutory/non-contractual severance payments in the current year (2021: £Nil).

c. Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2022	2021
	No.	No.
Teachers	147	134
Management	8	8
Administration & support	125	142
	280	284
	280	284

ENDEAVOUR ACADEMIES TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

10. Staff (continued)

d. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2022 No.	2021 No.
In the band £60,001 - £70,000	3	2
In the band £70,001 - £80,000	3	3
In the band £80,001 - £90,000	2	2
In the band £120,000 - £130,000	1	1
	3	8

e. Key leadership personnel

The key leadership personnel are listed on page 2. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £470,000 (2021: £457,000).

11. Trustees' remuneration and expenses

One or more trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The CEO and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of CEO and staff members under their contracts of employment. The value of trustees' remuneration and other benefits was as follows:

		2022 £000	2021 £000
P Latham, CEO and Accounting Officer	Remuneration	120 - 125	120 - 125
	Pension contributions paid	25 - 30	25 - 30

During the year ended 31 August 2022, no trustee expenses have been incurred (2021 - £NIL).

12. Trustees' and Officers' insurance

The academy trust has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme membership.

The specific purposes for which the funds are to be applied are as follows:

The General Annual Grant (GAG) must be used for the normal running of the academy including salaries and related costs, overheads, repairs and maintenance, and insurance.

Pupil Premium is additional funding to be spent as the school sees fit to support deprived students.

Post 16 Bursary is funding for sixth form students. Other DfE Group grants relate to rates relief, COVID funding, UIFSM, PE & Sports premium, teachers pay, teachers pension and Supplementary grant funding.

Other Government grants includes SEN funding, which is income to support students with special educational needs, early years funding and other LA grant funding.

Non Government grants include funding from Shine funding towards the Year 6 Mathematics Greater Depth Transition project and funding to provide Mandarin as part of the curriculum.

The Capital Maintenance Fund relates to money designated by trustees towards specific future capital projects.

The pension reserves is the liability due to the deficit on the Local Government Pension Scheme. Further details are shown in note 26.

The restricted fixed asset funds represent monies received to purchase fixed assets. Depreciation is

charged against each fund over the useful economic life of the associated assets.

Unrestricted funds include the income from uniform sales, school trips and catering with the relevant costs allocated accordingly.

A transfer of £212,000 (2021: £100,000) has been made to capital expenditure from GAG to reflect those items included within fixed assets which have been purchased using GAG monies.

A transfer of £nil (2021: £844,000) has been made to a designated Capital Maintenance Fund in respect of potential infrastructure projects identified across the sites.

A transfer of £777,000 (2021: £nil) has been made to recognise that assets bought reduce the free reserves available to the trust.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

26. Pension commitments

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Teesside Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,361,000 (2021 - £1,340,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

26. Pension commitments (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £494,000 (2021 - £483,000), of which employer's contributions totalled £367,000 (2021 - £359,000) and employees' contributions totalled £126,000 (2021 - £124,000). The agreed contribution rates for future years are 17.5 % for employers and 5.5% - 12.5% per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions

	2022 %	2021 %
Rate of increase in salaries	4.05	3.60
Rate of increase for pensions in payment/inflation	3.05	2.60
Discount rate for scheme liabilities	4.25	1.70
Inflation assumption (CPI)	9.90	2.60
Commutation of pensions to lump sums	80.00	80.00

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2022 Years	2021 Years
Retiring today		
Males	21.7	21.9
Females	23.5	23.6
Retiring in 20 years		
Males	22.9	23.3
Females	25.3	25.4

Sensitivity analysis

	2022 £000	2021 £000

28. Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

The following related party transactions took place in the financial period.

Income Related Party Transaction

M A Enterprises Limited ("MAE")

MAE is a subsidiary of Endeavour Academies Trust.

In the year to 31 August 2022 MAE achieved an operating profit of £42,906 (2021: £16,394) which was donated to the academy trust under gift aid. At 31 August 2022 debtors include a balance of £37,010 (2021: £11,316) due from MAE.

Expenditure Related Party Transaction

In entering into the transaction the academy trust has complied with the requirements of the Academies Financial Handbook 2021.

Fr G Holland - a trustee:

The academy trust purchased enrichment activities from Fr G Holland totalling £1,110 (2021: £870) during the period. There were no amounts outstanding at 31 August 2022 (2021: £nil).

29. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

30. Agency arrangements

The academy trust distributed 16-19 bursary funds to students as an agent for the ESFA. In the accounting period ending 31 August 2022 the academy trust received £30,000 (2021 : £33,000) and disbursed £31,000 (2021 : £33,000) from the fund. An amount of £Nil (2021: £1,000) is included in deferred income relating to undistributed funds that is repayable to the ESFA.
